

DUST TREATMENT SC

e-clean product Dust Mop Treatment is a high quality formulation which attracts and holds dust to the dust mops.

Removes dust quickly and completely from all surfaces. Can be used to attract dust to mops and cloths which have been lightly treated.

Use with the companion e-clean Stripper, Dri-buffer and Floor Cleaner to have a safe, clean floor surface.

How to use:

Apply e-clean product Dust Treatment to mops at the following rate:

18-24" dust mop – 4-6 oz. per mop

36-48" dust mop – 8-10 oz. per mop

Wrap to fully cure for best performance in plastic bag to allow full penetration.

Allow a minimum of one hour but best dwell time is overnight, before using the dust mop. The mop fibers need to absorb the treatment prior to use

Packaged in 4/1 Gallons & 2.5 Gallon BIB

"Clean right to get green"

E-Clean Products cover all your maintenance needs from floor care to carpet care and washroom maintenance with both a environmentally preferable product as well as environmentally preferable packaging.
