Testimonial: Greg Hunt of Leppert Business Systems Inc.

It is easy to say that Greg was an absolute pleasure to deal with. His professionalism and attitude towards getting the job done kept the process moving smoothly from the first meeting we had. He is a great sales person with even better listening skills.

Going through the process of purchasing office equipment was very simple due to Greg's efforts. I met with a few different companies. Not one was able to match the comfort level Greg provided, nor were any able to provide such a high quality, cost effective solution.

I will gladly recommend him to anyone who can use his services.
