Dear [sanadmin](#),

Thank you for being a valued Meraki customer. Our records show that your Meraki Cloud license has expired.

If you wish to continue using your Meraki networks, you must renew your license immediately. If you choose not to renew, your Meraki systems will cease to provide network access on December 29, 2013. If you have recently made a Meraki purchase, please add your license key to your Dashboard account.

Licensing information can be viewed here: [Viewing License Information](#)

To purchase additional licenses, please contact Meraki Sales or your authorized Meraki reseller. You can find contact information at [www.meraki.com](#).

Please let us know if you have any questions. A [license expiration FAQ](#) is also available on our website.

Regards,

The Meraki Team
