TRUPOINT Partners Appoints Regulatory Expert as Director of Compliance

CHARLOTTE, NC; Nov. 13, 2013 (PRWEB) - TRUPOINT Partners, a leading regulatory compliance provider, announces today the appointment of Robert Holloway as Director of Compliance Services. This reflects the company's continued commitment to deliver superior compliance solutions to the financial services market nationwide.

"Compliance has become a critical strategic and operational part of financial organizations everywhere; therefore, finding the right person to lead our growing compliance consulting division was imperative," says Trey Sullivan, President and CEO of TRUPOINT Partners.

"We are pleased to have Mr. Robert Holloway leading our team of compliance experts to help our client's identify, reduce and better manage regulatory risk," adds Sullivan. "Robert's 25 plus years of experience as a compliance officer, industry consultant and Chief Risk Officer brings a unique and pragmatic perspective to the job. TRUPOINT's clients will benefit from his experience immediately."

As Director of Compliance Services, Mr. Holloway will be responsible for leading TRUPOINT Partners' regulatory consulting services division, which works closely with financial institutions to assess, identify and mitigate compliance risk.

TRUPOINT consultants blend regulatory knowledge and access to TRUPOINT'S state-of-the-art analytics technology to more efficiently perform risk assessments, compliance audits, training and regulatory support than traditional providers. Fair lending, CRA, HMDA, UDAAP, BSA and other key regulatory consulting initiatives will be under Holloway's management.

"I'm honored to join TRUPOINT Partners' team of compliance experts," says Mr. Holloway. "Previously serving as Director of Compliance at a leading consulting firm and then serving as Chief Risk Officer at a large community bank in Texas, I have experience on both sides of the table and look forward to using my expertise to help financial institutions prepare for whatever the regulators may bring."

TRUPOINT Partners offers the cloud based software tools and in-depth compliance consulting expertise to uncover compliance risk, provide guidance and prepare

financial institutions for regulatory exams. For additional information or to set up an interview, call (704) 401-1733 or visit trupointpartners.com.

###

About TRUPOINT Partners

TRUPOINT Partners provides regulatory compliance solutions to financial institutions nationwide through an innovative blend of big data analytics, compliance expertise, and client service. TRUPOINT specializes in Fair Lending, HMDA, CRA, and UDAAP compliance, and also offer M&A due diligence, regression analyses, branch network optimization, and more.

TRUPOINT Analytics™ and TRUPOINT RiskCheck™ are cloud-based software tools that enable lenders to assess compliance risk and determine their lending performance for Fair Lending, UDAAP, CRA and other key consumer lending regulations. TRUPOINT Partners combines the efficient use of these tools and expert professional consulting services to provide lenders with uniquely effective and efficient compliance solutions.
