"[Interneer Innovate 2015](#) promises to be our best event yet," said Romeo Elias, President and CEO of Interneer. "Interneer Innovate 2015 is the best way to gain inspiration and insight from Interneer customers, access firsthand knowledge about new product announcements, and learn from premier BPM advisors and visionaries. Attendees will also benefit from networking activities, as well as our many breakout sessions and onsite training all designed to help our customers 'Accelerate Innovation' with BPM technology."

Elias continued, "Interneer Innovate 2015 will feature the company's first annual Innovate Configurathon, a contest for users to configure web and mobile apps on the Intellect BPM platform within a designated timeframe, similar to a hackathon, but with no programming required."

Reasons to attend Interneer Innovate 2015:

- Speaker sessions with BPM industry visionaries
- Exciting updates and product announcements
- Customer success stories
- Partner solutions and advisory services
- Breakout sessions for all levels
- Schedule 1-on-1 meetings with Professional Services and Tech Support
- Participate in Interneer's Innovate Awards and first annual Innovate Configurathon

In addition to the conference, an optional one day pre-event Intellect Innovate Training is being offered on March 8, 2015. Two onsite sessions will be available at the same time, one for beginners and the second for intermediate and advanced users. Registration for Intellect Innovate Training is available at the same time as the event registration.
