

Our Commitment to Privacy

We use industry standard safeguards to protect the confidentiality of personal information we collect from visitors to this Web site. Personal information collected is accessible only by designated staff or agents of our organization who are also bound to this statement. It is important to recognize that "perfect security" does not exist on the Internet. This statement is provided to clarify our commitment to protecting the security of the "Personal Information" you provide.

How We Use and Disclose Your Personal Information

We use information you provide on an aggregated basis to do such things as operate our site, enhance our site, and to better understand the profile of our online audience. We may also use this data, both aggregate and personal to you, to enhance your site experience on our site by displaying content and marketing messages that we believe will be of interest to you. In some cases we use your personal information to contact you or to provide information to you, such as to send newsletters to you that you request.

Information Sharing and Disclosure

5X Technology values your personal information you share with us. We do not sell or rent your personal information or share your personal information with other people or nonaffiliated companies, except with your permission, or under the following circumstances:

- We may provide the information with our partners who work on our behalf under confidentiality agreements. These companies may use your personal information to help us communicate with you about offers. These companies do not have any independent right to share this information.
- We respond to subpoenas, court orders, or legal process, or to establish or exercise our legal rights or defend against legal claims.
- We believe it is necessary to share information in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of the Web site terms of use, or as otherwise required by law.
- We transfer information about you if this company is acquired by or merges with another company.
- Again it is important to recognize that "perfect security" does not exist on the Internet. Third parties (hackers) may unlawfully intercept or access information or confidential transmissions.
