

If something happens to you, what happens to them?

Trans World Assurance's new Twenty Pay Graded-Benefit Whole Life Policy not only provides a family with financial protection through a death benefit, but it also accumulates cash value that can be accessed through policy loans.

- Provides coverage to individuals with health issues that would normally be denied life insurance coverage
- Offers guaranteed death benefits
- Offers guaranteed cash value accumulation
- Offers permanent life insurance protection after the twenty years of premium are paid

Twenty Pay Graded-Benefit Whole Life

This policy is a Twenty Pay Whole Life Insurance Policy with a Graded Death Benefit during the first two policy years. The accidental death benefit during the first two policy years is equal to the face amount of the policy. The natural death benefit during the first two policy years is equal to a return of premiums paid that is accumulated at 10% interest. In the event death occurs after the first two policy years the full face amount of the policy will be paid, or at any time should the cause of death result from accidental bodily injury.

Issue Ages: 16-60

Maximum limit: \$10,000

Premium rates are not differentiated by gender, but are differentiated by Tobacco use classification.

Policy limit: \$10,000
