

Vocabulary Think-Tac-Toe

Directions: Below is a think-tac-toe that will help you to understand and review your vocabulary words. You must choose three squares to create a tic-tac-toe, either horizontally, vertically, or diagonally. Remember you must go in a straight line; you can't just pick three assignments at random.

<p>Create a diorama scene (or design a scene on a computer) and then write out an explanation for your scene using at least ____ vocabulary words.</p>	<p>Write a short scene or vignette using at least ____ of your vocabulary words in context.</p>	<p>Using at least ____ of your vocabulary words in context compose a chant, song or rap to perform for our class.</p>
<p>Create a list of at least two synonyms for ____ vocabulary words. Feel free to design as a web, noting any synonyms that overlap more than one word.</p>	<p>Create your own vocabulary test using at least ____ of your vocabulary words. It should be original phrases and sentences from you with the correct answers provided.</p>	<p>Create a definition poem for one of your words using at least ____ of the vocabulary words total.</p>
<p>Create a crossword puzzle for ____ of your vocabulary words. Make sure that you include the clues at the bottom. The clues must be creative and created by you (no using the definition verbatim).</p>	<p>Color or draw a picture and label it with at least ____ vocabulary words. Each word needs to be in a contextual phrase so we understand how it is being used to describe an aspect of the picture.</p>	<p>Create a simile for ____ of your vocabulary words with an explanation for your simile at the end of the sentence.</p>
