

Twin Sisters

A: So I heard you have a twin sister but you're not identical?

B: Right, I do- but yeah, we don't look alike. **Actually I look just like my older brother**, but nothing like my twin sister. Isn't that weird?

A: Do you and your twin have the same mannerisms at least?

B: kind of- yeah- she talks with her hands a lot and we walk in a similar way.

A: Do you guys get along well? Do you have anything in common?

B: Oh yeah, we're good friends- we have a lot in common, but **I'm finding that** as we're getting older, we're moving in different directions in terms of life paths.

A: Oh yeah? And when you were younger **did she try to emulate you at all?**

B: Yeah, I guess so- I was always more mature even though we were the same age, so I think she looked up to me.
