

The Jackpot Is Huge!

A: Hey where have you been?

B: Oh I was at the convenience store down the street- picking up a few numbers for tonight's lottery.

A: Oh yeah I heard the jackpot is huge this time around. Wait! Did you say a *few* numbers? Exactly how many tickets did you buy?

B: Oh maybe 30... actually 40...ok it was....50

A: What? Do you realize that rent is due next week? Did you spend our rent money on lottery tickets? That is the dumbest thing I have ever seen you do.

B: Come on now, you won't be saying that if I win... I mean if *we* win.

A: If we win I'll let you off the hook. But our chances are pretty slim.

B: True but if we win, I'll take all of our friends out for a huge dinner downtown to celebrate.

A: You do realize that if we end up winning, we'll have long-lost friends knocking on our door asking for loans and help with finances, don't you?

B: Oh man, I never thought about that. We better keep it a secret if we have the winning number then. I really don't want to deal with huge crowds of people asking me for help.

A: So when is the drawing?

B: It's starting in 10 minutes, on channel 9...let's turn it on. So what is the first thing you'll do if you wake up a millionaire tomorrow morning?

A: I'll pay back my student loans. They've been a real pain the last few years.

B: Great! If we get this money you won't even make a dent in it by paying off your student loans- the pot is *sooo* huge.

A: Oh, it's on! I'm so nervous- do you have your numbers?

B: Here we go...
