MINORITY BUSINESS DEVELOPMENT AGENCY BUSINESS OR EXPORT CENTERS

Minority-owned firms seeking to penetrate new markets – domestic & global – and growing in size and scale, can access business experts at a MBDA Business Center. Whether it's securing capital, competing for a contract, identifying a strategic partner or becoming export-ready, your success is our priority. The Centers are located in areas with the largest concentration of minority populations and the largest number of minority businesses.

PROCUREMENT TECHNICAL ASSISTANCE CENTERS

Procurement Technical Assistance Center (PTACs) provide a wide range of government contracting help – most free of charge! All PTACs are staffed with counselors experienced in government contracting and provide a wide range of services including classes and seminars, individual counseling and easy access to bid opportunities, contract specifications, procurement histories, and other information necessary to successfully compete for government contracts. Many PTAC counselors have backgrounds in government acquisitions and virtually all receive ongoing training to keep pace with continually evolving acquisitions procedures and policies.

SMALL BUSINESS DEVELOPMENT CENTERS

Small business owners and aspiring entrepreneurs can go to their local SBDCs for FREE face-to-face business consulting and at-cost training on a variety of topics. The mission of America's nationwide network of SBDCs is to help new entrepreneurs realize the dream of business ownership, and assist existing businesses to remain competitive in an ever-changing global economy.

WOMEN'S BUSINESS CENTERS

WBCs help women succeed in business by providing training, mentoring, business development, and financing opportunities to over 145,000 women entrepreneurs each year. Small business owners and aspiring entrepreneurs can go to their local WBCs for FREE face-to-face business consulting and at-cost training on a variety of topics.
