

Textiles, Apparel, & Sporting Goods Virtual Fair

Virtually promote your products and services to global audience

Online Marketing for U.S. Companies Worldwide

The U.S. Commercial Service is offering a unique opportunity for U.S. companies in the Textiles, Apparel, and Sporting goods Industry to promote their products and services to potential buyers and business partners overseas via online promotion on our website.

Virtual Trade Fair

We will showcase products and services via an online marketing profile of your company designed to reach a larger international business audience. You can utilize our global network to generate interest in your products, design services, technologies and solutions and position your firm for greater global success. Our offer includes:

- **U.S. Company Profile:** Your company profile, one photo or logo, contact information and a link to your website, will be featured in English on the U.S. Commercial Service Textiles, Apparel, And Sporting Goods website
- **Global Promotion Support by U.S. Commercial Service:** Your listing on our Made in USA virtual fair will be actively promoted by our global network to local retailers, distributors and agents, and others who can contact you directly
- **Market Intelligence:** All participants will receive market intelligence on global markets including information on market size, market entry, labeling and regulatory requirements, and other information upon request

What we need from you

- You must be an U.S. company seeking to export goods or services of U.S. origin or 51% U.S. content.
- You must send us: your company profile in no more than 100 words; high resolution photo/logo, contact information with website address.
We will do the rest!
