About Jatheon

We founded Jatheon Technologies Inc. in 2004 to empower companies in their efforts to ensure email compliance and facilitate eDiscovery.

Today, we are leaders in the archiving industry, with **6+ billion processed messages** and unique on-premise and cloud archiving solutions. We continue to raise the bar throughout the industry with our latest enterprise-grade **cCore** archiving appliances, a powerful archiving, retrieval and dynamic monitoring software and best-in class tech support, **Jatheon Care**. In 2017, we built **Jatheon CTRL** – a social media and mobile archiving add-on that smoothly integrates with our email archiving software. In 2018, we designed **Jatheon Cloud** – the next-generation cloud email archiving solution perfectly suited for small and medium-sized organizations. In 2019, we launched **Jatheon Archive**, an email archiving and management mobile app that supports both Jatheon cCore and Jatheon Cloud.

It is our mission to ensure security and bring peace of mind to businesses, government agencies, educational, financial and healthcare institutions across the globe. We're headquartered in Toronto, but we serve clients worldwide through our network of global business partners. For more information, please visit www.jatheon.com.
