

# GAME ON!

## THE EXPERIENCE

The draft is open; are you ready?

As team owners and agents in the global sports industry, your goal is to be as successful as possible, whether by building a sports team dynasty, or by making the most profit possible for your clients as an agent. This is your opportunity to build die-hard loyal fans and score big! The challenge is great for both agents and team owners as they race to negotiate, build relationships, and buy and sell top talent.

## BUSINESS IMPACT

Participants will learn to:

- Optimally use and allocate resources
- Commit to achieving the best possible outcome
- Capitalize on the potential of every transaction
- Continually assess your choices and actions against the best outcome

## PRACTICAL DETAILS

- 2 hour program
- Groups of 28 to 2000 participants
- Suitable for cross-functional and intact teams at all levels
- Ideal for use in a corporate event
