

FOUR SEASONS PEEL & STICK SEAM TAPE

Four Seasons Peel & Stick Seam Tape is a 4-inch wide, high tensile strength, polyester-reinforced, butyl rubber sealant tape for sealing edges, seams, flashings, fasteners, vents, drains, cracks, holes, voids, splits and penetrations on most roofs. Because of the ease of application, conformability, and effective water-tightness, Four Seasons Peel & Stick Tape can replace the burdensome and expensive task of sealing roof fasteners with traditional mastics..

- Extremely Easy to Apply
- Instant Waterproofing
- Superior Adhesion
- Long-Term Durability
- Excellent Flexibility Over Wide Temperature Range

Property	Typical Results
Color	Greyish-white fabric with gray adhesive/sealant
Bonding Time	Immediate, water tight, aggressive grip, full bond in 24 hours
Adhesive Sealant	18 mils grey elastomeric modified butyl rubber.
Facing/Backing	Spun bond polyester fabric

INSTALLATION

- All surfaces must be clean, dry, and free of dirt, grease, oil, or other contaminants that would interfere with proper adhesion.
- Apply only when weather conditions will permit drying before rain, dew or freezing temperatures.
- Apply at temperatures above 50°F.
- Cut to the desired length. Peel off plastic release liner and press into place removing all buckles and bubbles. If more than one piece is going to be used, overlap any adjoining pieces of tape by a minimum of 1".
- Top coat with desired Four Seasons 365 Roof Coating.
- For extra reinforcement, apply Four Seasons 365 Acrylic or Silicone Patch and Seal prior to top coats.

STORAGE - Store materials between 40°F and 100°F to prevent damage to products. Do not store at high temperatures or direct sunlight. Protect all materials from freezing during transit, handling, storage, and installation. Minimum one year shelf life if stored at 40°F-90°F.

MAINTENANCE - Periodic maintenance ensures extended performance and reduces life cycle costs.

TECHNICAL SERVICES - Additional information, product brochures, and guide specifications are available. Roof energy evaluations, life cycle cost analyses, and other roof management services are also available from a National Coatings Technical Consultant.

Available Size

Product	Product Code	Unit Size	Unit Weight
Four Seasons Peel & Stick Seam Tape	FSTPE-4	4 inch x 50 foot roll	3 lbs
