How to Build a Gospel Advancing Ministry! A Bold Vision Focuses It

1. Traditions and the demands of the calendar often cloud our focus on the vision God has given us. We can easily put the Holy Spirit on “silent mode” as Greg said.
 - In what ways have we seen this happening to us lately and what should we do about it?
 - How can we continually remember and nurture our connection to the Holy Spirit’s power?
2. God has placed us in a specific place for a specific purpose.
 - Do we feel like we have a clear Bold Vision for our group? If so, how would you describe it? If not, what are some steps we should take to discover it?
 - What “part of the map” or schools do we feel God has specifically called us to reach?
3. Bold Visions ideally would be designed to spread.
 - What can we do to help our teens be better equipped to share the gospel with their friends, family, and beyond?
