How to Build a Gospel Advancing Ministry! Relational Evangelism

1. Greg shared that anytime we share the gospel 1-on-1 (with a friend or a stranger) it should be relational in nature.

- How have you experienced this in your own life?
- In which Bible stories do you see Jesus modeling this concept?

2. Read Colossians 4:2-4.

- How “devoted” are we to praying for our lost friends? What tools or methods have we found that help us remember to pray for them?
- What do you think of the idea of praying every day that God would give us an opportunity to share Jesus?

3. Read Colossians 4:5-6

- What are some ways we could do a better job of showing care, through meeting physical, emotional, and spiritual needs? How can we help our teens do the same?
- How many of our students would pass the “microphone test” (being able to spontaneously and clearly articulate the gospel if we handed them the mic)?
- How can we incorporate the Cause Circle and the NEW Life in 6 Words app into our youth ministry?
