The 3 R's of Disciple Making

1. Greg shared a startling statistic from a recent Barna article that stated, “47% of Millennials agree at least somewhat that it is wrong to share one’s personal beliefs with someone of a different faith in hopes that they will one day share the same faith.”
 - Do we see this viewpoint expressed in the students we lead? Do we struggle with this belief as leaders?
 - How can we help our students better understand that Jesus earned the “right” for them to share their faith with anyone, anywhere, and anytime?
2. Greg touched on some various causes in the world and how Jesus give us the ultimate cause. How can we help our students adopt a “both/and” view of participating in important social causes and embracing sharing the Gospel?
3. Greg mentioned four M’s of discipleship; Make them, Mark them, Mature them, and Multiply them.
 - How do we think we are doing in each of these four areas?
 - What could we do, or improve upon, to celebrate these four spiritual milestones in the lives of our students like Carrie & Jason discussed?
