

## DISCUSSION GUIDE

### How to Keep Your Heart Burning Hot for the Gospel

1. Greg mentioned that sometimes we read the book of Acts and get all fired up, but then the reality of churches can be disappointing and sort of suck that fire out of us.
  - Why do you think this is this case?
  - What could we do differently so that our contemporary local churches looked more like the early church we read about in Acts?
2. Greg spoke of how Timothy and Paul's stories of redemption are important and powerful. How can we help our students remember that their story of first believing in Jesus Christ is a powerful testimony worth sharing?
3. Greg explained the origin of the word, "Gosplize."
  - How did he explain it?
  - How can this help us remember our Biblical purpose as we pour into this generation?
4. Greg shared stories about shy students sharing their faith. As we think about our students, how can we help them with their own unique personalities be more confident in sharing their faith?
