

DISCUSSION GUIDE

How to preach a CLEAR Gospel message!

1. Cross and Christ-centric. Read 1 Corinthians 15:3-4. How can we incorporate the message of the cross more intentionally in our teaching, discussion group, and one on one time with students?
2. Lays out the whole story of the GOSPEL. Read Acts 20:27. What percentage of our students can clearly articulate the whole story of the GOSPEL and how can we better help them understand and memorize it?
3. Easy to understand. Read 2 Corinthians 11:3. Are there any terms or phrases we use that “muddy” the messages we are trying to communicate to students, especially the Gospel message?
4. Always sounds too good to be true. Read Titus 3:5. How have we seen students wrestling with the radical message of grace and the “you mean to tell me” questions that come from it?
5. Relentlessly focuses on faith alone in Christ alone. Read Romans 3:22. In what ways are we helping students remember the power of faith in Christ alone and how to go “all in” with their lives?
