## **Genesis Credit Partners with Custom Remodelers to Provide Second-look Financing for Home Improvements**

Minneapolis, MN, August 25, 2015 — Genesis Credit, the leader in second-look financing, has partnered with Custom Remodelers, Inc. to provide financing options for customers with less than perfect credit.

Custom Remodelers focuses on innovative products, quality workmanship, and excellent service in home improvement. Offering the Genesis Credit program allows them to expand their business by providing customers with more financing options for major home improvement investments. Genesis Credit is renowned for offering second-look financing solutions with superior customer service and program features similar to prime lending programs.

“Custom Remodelers is committed to providing excellent customer service and we are excited to partner with Genesis Credit to provide financing programs for our customers,” said Chad Carpenter, Co-Owner, Custom Remodelers. “Partnering with Genesis has given us the ability to provide more financing options that enables our customers to invest in improving their homes now and in the future.”

“Custom Remodelers’ commitment to elevating the customer experience through best-in-class products and superior customer service fits with our company goals and values,” said Bruce Weinstein, CEO, Genesis Credit. “By collaborating with Custom Remodelers we are able to provide more people with financing options to support their home improvement investments.”
