

Surface Backbox

(2 Gang/4-inch Square)

FEATURES

- 1/2-inch and 3/4-inch EMT Knockouts on All Four Sides and the Back
- 18 Gauge Steel
- Appliance/Device Mounting Holes
- Universal Mounting Pattern

DESCRIPTION

The Kidde Surface Mount Backbox is the ideal solution for devices that require a professional surface installation. Each Backbox has a solid surface area with predrilled and tapped hole configurations to mount the devices.

The Backbox is painted with red enamel and is provided with five 1/2-inch and 3/4-inch knockouts strategically located. The Backbox comes with a green ground screw and is easily accessible.
