

West Bend Charitable Trust Funds Riveredge Nature Center's New Building

WEST BEND, WI (September 13, 2019) – Earlier this year, West Bend Mutual Insurance Charitable Trust provided a \$250,000 donation to help establish a new facility at Riveredge Nature Center in Saukville, Wisconsin. That facility, known as the River Outpost, will officially open on Friday, September 20, and will serve as an additional learning and gathering space to further the Riveredge mission of supporting nature conservation through community education.

“We are grateful to Riveredge Nature Center for the work they do to promote conservation, and we are honored to support them as they expand their efforts to educate and engage the local community,” said Kevin Steiner, President and CEO of West Bend Mutual Insurance. “At West Bend, we have a proud tradition of giving back to the communities near to us, and this donation is an investment in the well-being of our environment today and for the future.”

Steiner will attend a ribbon-cutting ceremony at Riveredge Nature Center in celebration of the new River Outpost on Friday, September 20, at 4:30pm.

Immediately following the ribbon-cutting ceremony, Riveredge will host a grand opening celebration of the River Outpost on Friday, September 20, until 7pm. Community members are welcome to tour the new building, enjoy music and artwork, and explore Riveredge's Milwaukee River trails. Event details can be found [online](#).
