

LAWYER REFERRAL SERVICES

As a business owner, there may be a time when you need professional legal advice. But with so many options, how do you know which attorney can provide you with the legal services you and your business need?

As your insurer, West Bend Mutual Insurance Company cannot provide you with legal advice not related to your insurance policy. We can, however, offer you the names of reputable, licensed attorneys in your state who will provide you with a free initial consultation.

If you so choose, please feel free to contact one of these attorneys to find out if they may be able to provide the legal counsel you need. A link to your state's bar association is also included in case you prefer to search among those members. Keep in mind, however, that only the attorneys specifically listed on this flyer are prepared to offer you a free, hour-long consultation.

West Bend Mutual Insurance Company does not provide legal advice. The Lawyer Referral Services offers several ways to identify and locate an attorney. The decision to retain an attorney is an important one, and one that you must make carefully based on your own judgment and evaluation of that attorney. You should read the following terms and conditions below. If you disagree with these terms, please do not use the Lawyer Referral Services.

- The Lawyer Referral Services are only one source of information among the many sources available to you. You may wish to consider multiple sources in order to make an informed attorney selection decision.
- You are solely responsible for making a selection of an attorney and determining whether the information you obtain through your use of the Lawyer Referral Services is suitable for your purposes.
- The Lawyer Referral Services provides contact information for your state bar association and identifies specific attorneys/firms who have agreed to provide you, as a West Bend Mutual Insurance Company policyholder, an initial free evaluation. Thereafter, the attorney/firm may charge you its customary rates. You are completely responsible for payment of any fees incurred for legal services following the initial free evaluation.
- We do not endorse any particular attorney or legal service and make no representation, guarantee, or warranty (express or implied) as to the legal ability, competence, quality, or reliability of any legal services provided by any of the lawyers identified through the Lawyer Referral Services.
- The release and security of any sensitive or confidential information transmitted by you to any attorney or service is your sole responsibility.
- We cannot perform a check for conflicts of interest between you and an attorney you have been referred to using the Lawyer Referral Services.
- **If you use the Lawyer Referral Services, you agree: IN NO EVENT SHALL WEST BEND MUTUAL INSURANCE COMPANY BE LIABLE FOR DAMAGES OF ANY KIND (INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES) ARISING OUT OF OR IN CONNECTION WITH THE LAWYER REFERRAL SERVICES OR for any advice, information or services provided to you by any attorney with whom you may make contact as a result of the Lawyer Referral Services. TO THE EXTENT THE FOREGOING LIMITATION OF LIABILITY IS PROHIBITED, WEST BEND'S SOLE OBLIGATION TO YOU FOR DAMAGES SHALL BE LIMITED TO \$100.00.**
