

Position(s) Title: Clinical Coding Staff

Status: Contract/Temporary

FLSA: Exempt

Office Location: Remote

Company Overview:

Health Data Vision, Inc., is a fast growing tech company that provides a SaaS-based healthcare analytics platform for medical records analysis and targeted solutions for HEDIS® Hybrid, Medicare and Exchange Risk Adjustment and comprehensive, year-round clinical data analysis efforts as well as RADV Audits. The platform provides flexible scalable workflows and automation for medical records-intensive project needs of health plans in the United States.

Job Summary:

The Clinical Coding team member will perform job duties for Risk Adjustment Coding related initiatives at HDVI. The Clinical Coding team member will report directly to the Manager of Clinical Operations. The position ensures that HDVI delivers the highest quality coding in the industry while adhering to strict project deadlines.

The Clinical Coding team member must have excellent time management, communication and organizational skills.

Responsibilities Include:

- Performing diagnostic coding within the HDVI data entry application.
- Maintaining a 95% accuracy rate or higher.
- Participating in weekly client status calls to discuss progress and issues.

Preferred Skills:

- Ability to adapt to constantly changing priorities in managing a wide range of projects.
- Must be able to work independently and in a team environment.
- Excellent written, communication and presentation skills with the ability to explain and write complex information.
- Proficiency in using the following software applications: MS Word, Excel, PowerPoint, web-based/SaaS tools, and MS Outlook (email, calendar, etc.)

Required Experience / Education:

- RN/LPN degree preferred.
- Coding certification required.
- Minimum of 2 years HEDIS abstraction experience.
- Minimum of 2 years Risk Adjustment coding experience.

- Experience in developing and updating training materials and implanting training programs.
- Experience in preparing for and participating in HEDIS Medical Record Review Validation audits.
- Customer service experience a plus.

Interested Candidates should send a resume to: leann.dyehouse@healthdatavision.com

All qualified applicants will receive consideration for employment without regard to race, color, religion, age, sex, national origin, disability or protected veteran status, other protected status, or any other characteristic protected by local, state or federal laws, rules or regulations.
