

Data Analyst

Reveleer is a fast-growing SaaS based company in Glendale, CA. We empower managed care organizations nationwide to take control of their Risk Adjustment and Quality Improvement initiatives to improve quality of care and optimize revenue performance.

As a Data Analyst, your primary responsibility will be to work with stakeholders across business functions including growth, marketing, business development, finance and operations to build analytics products that enable data-driven decision making. You will guide analytics projects from discovery to solution and help us raise the bar for how we should apply our data to business decisions.

What You'll Do:

- Complete analysis projects with business stakeholders to monitor the health of the business and help the business make data-driven strategic and operational decisions
- Develop and own business intelligence dashboards to provide ongoing tracking and insights to business partners
- Build and improve advanced analytical models, such as our fit algorithm and inventory forecasting
- Collaborate with data engineering to improve data architecture and maintain a robust and accurate data warehouse
- Discover ways to use analytics to support team members across the business to yield action through data-driven decision making
-

About You:

- At least 2 years of related experience with data analysis projects
- Data visualization skills; SSRS or cloud BI framework experience is a plus
- Basic understanding of Microsoft T-SQL
- Ability to build trust and communicate insights effectively with a variety of business stakeholders across analytical levels
- Desire to be a partner to business stakeholders with a shared goal on using analytics and insights to drive the business forward
- Given context, you're capable of self-direction and enthusiastic about owning your work
- You deliver results quickly with iteration, instead of waiting for perfection

What You'll Receive:

- Competitive Salary
- Medical, Dental and Vision benefits
- 401k
- PTO Plan
- Fully stocked breakroom with drinks and snacks
- Dog friendly office
- Social gatherings
- No commute to the Westside!
