PRIVACY NOTICE

Investment Advisers are required by law to inform their clients of their policies regarding privacy of client information. We are bound by professional standards of confidentiality that are even more stringent than those required by law. Federal law gives customers the right to limit some but not all sharing of personal information. It also requires us to tell you how we collect, share, and protect your personal information.

TYPES OF NONPUBLIC PERSONAL INFORMATION ("NPI") WE COLLECT

We collect NPI about you that is either provided to us by you or obtained by us with your authorization. This can include but is not limited to your Social Security Number, Date of Birth, Banking Information and Financial Account Numbers and/or Balances, Sources of Income, Credit Card Numbers or other Information. When you are no longer our customer, we may continue to share your information only as described in this notice.

PARTIES TO WHOM WE DISCLOSE INFORMATION

All Investment Advisers may need to share NPI to run their everyday business. In the section below, we list the typical reasons that we may share your personal information:

- For everyday business purposes – such as to process your transactions, maintain your account(s), or respond to court orders and legal investigations, or report to credit bureaus;
- For our marketing – to offer our products and services to you;
- For joint marketing with other financial companies;
- For our affiliates' everyday business purposes – information about your transactions and experiences and information about your creditworthiness; or
- For affiliates and non-affiliates to market to you.

If you are a new customer we may begin sharing your information on the day you sign our agreement. When you are no longer our customer, we may continue to share your information as described in this notice. However, you can contact us at any time to limit our sharing.

PROTECTING THE CONFIDENTIALITY OF CURRENT AND FORMER CLIENT'S INFORMATION

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law, including computer safeguards and secured files and building.

THE RIGHT TO LIMIT SHARING - OPTING OUT AND OPTING IN

Federal law allows you the right to limit the sharing of your NPI by "opting-out" of the following: sharing for affiliates' everyday business purposes; sharing information about your creditworthiness; or sharing with affiliates or non-affiliates who use your information to market to you. State laws and individual companies may give you additional rights to limit sharing. Please notify us immediately at our address or telephone number if you choose to opt out of these types of sharing.

State law gives you additional rights to limit sharing. Under certain states' laws, we may not share NPI about you with non-affiliates unless you first give us written permission ("opting-in"). If you do not give us permission to share your information, then we are prohibited from sharing this information with non-affiliates as defined below.

I give you permission to share my NPI with non-affiliates.
