### **What to Expect**

This one-of-a-kind opportunity gives you total access to our recording studio, lesson rooms, performance space -- under the expert guidance of Real School Instructors. Sing the music that matters to you! In their newly formed A Cappella group, Students will learn about all aspects of music vocal techniques, including blending, tuning, and beat boxing, while creating original arrangements to record and perform. “There is really no greater challenge for the musical ear and voice than singing a cappella. Intensive programs [like this one] have always made long-lasting improvements to my singing voice, no matter what style I'm singing, and now I want to share that experience with our students. -Tim Bongiovanni, RealJams A Cappella coordinator.

### **Student Life**

Students are placed into an A Cappella group according to their age and skill level. Once placed, their off and running on a five day creative journey arranging pop/rock hits and an original piece and preparing for a live performance at the end of the week! Students will record their song in our studio and shoot a music video that consists of live stage shots and concepts from the lyrics and theme of their songs.

### **Music Education**

Throughout each week, students will attend clinics led by experts on everything from instrument proficiency to recording techniques. All clinics are designed to be “hands on” and high energy! In addition to seminars, students will attend instrument specific classes where they'll explore specific instrument techniques and...
