### **What to Expect**

This one-of-a-kind opportunity gives students total access to our recording studio, lesson rooms, and performance space — all under the expert guidance of Real School Instructors. You'll form a band, write original music, take lessons, create a music video, and so much more! And to cap it all off, you'll step on the Real Room stage to perform your music LIVE for all your friends and family! Spend this summer with others that share the same passion, while studying with some of New England's most talented musicians. RealJams has been designed to give each student the necessary tools and skills to succeed within a band or group setting, as well as an individual musician. Students leave with bandmates, friends, guidance, and a summer to remember!

### **Student Life**

Students are placed into bands or groups according to their age and skill level. Once placed, their off and running on a five day creative journey writing original music and preparing for a live performance at the end of the week! Students will record their song in our studio and shoot a music video that consists of live stage shots and concepts from the lyrics and theme of their songs.

### **Music Education**

Throughout each week, students will attend clinics led by experts on everything from instrument proficiency to recording techniques. All clinics are designed to be “hands on” and high energy! In addition to seminars, students will attend instrument specific classes where they'll explore specific instrument techniques and skills.
