What to Expect

Students will work with a team of musical theater experts and highly trained educators to put on a junior Broadway production in just two weeks! You'll experience auditions, call-backs, casting, daily rehearsals, costume design, and set building! From choreography to tech crew, you will experience everything that goes into creating a musical theater production. Each show is double cast with both a middle and elementary school-aged cast to allow opportunities for all ages to shine. In addition, each performer is given a speaking role. Our intimate performance space allows for actors to work on projection and audience interaction in a safe and enriching environment. Daily rehearsals culminate in a musical theater masterpiece of their very own with two shows performed on Friday and Saturday evening.

July 15-27: Madagascar Jr.

Take a journey out of the zoo and onto the stage with your favorite crack-a-lackin' friends from the blockbuster Dream-Works film. Join Alex the Lion, Marty the Zebra, Melman the Giraffe, Gloria the hip hip Hippo and, of course, those hilarious, plotting penguins in the musical adventure of the summer.

Aug 5-17: Once on This Island Jr.

With its poignant story and catchy Caribbean-flavored score, Once on This Island JR. is a highly original theatrical adaptation of Hans Christian Andersen's popular fairy tale, The Little Mermaid, and the Tony-nominated Broadway musical by the legendary writing team, Ahrens and Flaherty. This rousing tragedy is going to be the powerhouse production of the summer.
