

Musical Theater

1-week program for kids ages 6-18 (grades 1-12)

“This was the best summer of my life! I wrote a musical, learned a lot about choreography, and had so much fun”

Amelia Hill, 2016 alum

What to Expect

Students are placed into theater groups according to their age and interests. Once placed, their off and running on a five day creative journey writing an original musical and preparing for a LIVE performance at the end of the week! Students will attend classes on everything from character and set creation to stage presence and combat techniques. All classes are designed to be “hands on” and high energy! Each show caters to students in a broad range of ages and levels, with each performer given the opportunity for a speaking role. In addition to classes, daily rehearsals will culminate in a musical theater masterpiece all their own. Spend this summer with others that share the same passion for music and theater, while studying under the expert guidance of your favorite Real School Instructors.

Highlights for Younger Kids

Explore Musical Theater in an encouraging and safe environment with experienced educators and performers. Students will learn the basics of character study, songwriting, choreography, set building, improvisation, stage combat. Throughout the week, students will write a musical, creating an original cast recording, and perform live at the end of the week.

Highlights for Older Kids/Teens

Take your love of the craft to the next level! Students will complete an in-depth study of Musical Theater with daily training in voice, dance, acting, and theater history. Alongside expert instruction, students will collaborate on their own original musical while producing a cast recording of their music. Students will complete the week with a live performance.
