January 2019 Release Notes

1 PTO Calendar

1. PTO Approvers can now see who is out "at a glance" on a given day on a monthly calendar within BerniePortal.
2. The helps managers more easily confirm they have coverage when evaluating a new request from an employee.

2 New Employee Status: COBRA

1. When a terminated employee makes their COBRA elections in BerniePortal, his or status will now show as "COBRA" in the Employee list.
2. Previously, these individuals showed as "Enrolled". Creating this new status will help users more easily distinguish between active employees who are enrolled in benefits and individuals who are enrolled by virtue of COBRA.
