

BerniePortal

December 2017 Release Notes

Two areas of improvement:

1 1095-C updates and mailing capability

- a. BerniePortal has incorporated all necessary updates for 1095-Cs created in January 2018 for 2017 tax year.
- b. Additionally, we've added the ability to mail paper 1095-Cs to employees to our ability to e-file with the IRS.

2 Email notifications for BernieBill

- a. Two email notification are now available for BernieBill.
- b. The first is sent 3 days before the bills is auto-generated, reminding HR to review and make sure it is correct.
- c. The second is sent when the bill is auto-generated, with the bill attached as a PDF so that HR doesn't need to login to get it.
