

# Notices

Increase compliance with BerniePortal Notices.

## Stay Compliant

Keep employees updated on company-wide announcements and policy changes. Assure compliance by requiring employee e-signatures and storing them in BerniePortal.

## Deliver to Subgroups

Need to send a notice to just a group of employees? BerniePortal has got you covered. Just create a notice, select a subgroup and send! Whether your notice is company-wide or individually focused, BerniePortal can deliver your messages to the correct employees.

## Remind Individuals

Access employee read receipts to see if a particular notice has been opened. Send reminders to individuals and groups to complete the requested document—all without leaving BerniePortal!
