

BerniePortal Onboarding

Simplify onboarding with online W-4s, W-9s, I-9s, and customizable forms.

Save Time

Using BerniePortal, employees can onboard online from any location. Save time by getting your new hire fully onboarded before their first day.

Eliminate Paperwork

With W-4s, I-9s and W-9s, new hire paperwork can be an overwhelming and frustrating process. BerniePortal automatically transfers all new hire information onto the official onboarding forms and stores the data for year-round compliance and documentation.

Track New Hires

Track your new hire's onboarding progress and send reminders to those who still need to finish. In need of an extra hand to manage onboarding? BerniePortal has got you covered. Delegate onboarding administration to your team members.
