

BerniePortal Applicant Tracking

Bring your recruitment online with BerniePortal's Applicant Tracking System.

Attract Applicants

Maximize your reach and attract the "A-players" with BerniePortal's Indeed integration. BerniePortal automatically posts jobs to Indeed and collects applicant data once it's been submitted. Collect a larger pool of skilled talent with no-login applications, custom job postings and streamlined communications.

Manage Candidates

With resumes, emails, and multiple hiring decision-makers, it can be difficult and time consuming to keep track of applicants. BerniePortal Applicant Tracking consolidates this clutter and organizes everything in one, easy-to-access location, enabling you to hire more efficiently without quality candidates slipping through the cracks. Use BerniePortal Applicant Tracking to share candidate applications, messages, and internal feedback with all hiring decision-makers.

Offer & Onboard

Made a new hire? Transition seamlessly from hiring to onboarding without searching for and re-entering applicant information. BerniePortal's end-to-end onboarding solution remembers data from the hiring process to speed up the completion of new hire documents such as W-4s, W-9s, I-9s, and even customizable forms and agreements.
