## **FOR IMMEDIATE RELEASE**

### **ANNOUNCING THE KNOTT'S COMPANY'S NEWEST PARTNER, LEUZE**

*Mark Howe announces collaboration with the Sensor People*

**BERKELEY HEIGHTS, NJ (March 24, 2020)** — The Knotts Company, provider of automation solutions, has partnered with Leuze to offer an extensive line of sensors and corresponding accessories for industrial automation in six different product areas. With more than 50 years of experience, the German-based company is an expert in innovative and efficient sensor solutions for industrial automation.

“What we really like about Leuze is that they focus on specific-industry solutions and they do it well,” said Mark Howe, Vice President of Sales and Marketing at Knotts. “We look forward to introducing our customers to their top-notch products.”

More than 50 years of experience made Leuze electronic a real expert in innovative and efficient sensor solutions for industrial automation. With our wide sales- and service-network, our knowledgeable consulting and our reliable customer service we are always close to you – worldwide.

Leuze—the Sensor People—offers products ranging from switching and measuring sensors, identification systems, data transmission and image processing solutions, and machine safety components and systems. They focus on intralogistics, packaging, machine tools, electronics, automotive, and laboratory automation.

#### **About Leuze**

*Yesterday. Today. Tomorrow.*

With curiosity and determination, the Sensor People from Leuze have been innovators of technological milestones in industrial automation for more than 50 years. They are driven by the success of their customers. Leuze was founded in 1963, headquartered in Owen/Teck in Southern Germany. Today, there are more than 1,200 Sensor People around the world working with a great deal of experience and dedication to ensure the lasting success of their customers in a changing industry—be it in the technological competence centers or in one of the 20 sales companies supported by more than 40 international distributors.
