

# A True Partner from Clinical Development to Regulatory Approval

Veristat is a full-service clinical research organization (CRO) that partners with biopharmaceutical firms to advance medical therapies through the clinical development and regulatory submission process. We are committed to making a difference in the world. Improving and saving lives by offering impactful and superior solutions that lead our clients to market success.

## Impactful Full-Service Solutions

Veristat experts empower your success by partnering throughout the entire clinical development and submission process or by providing additional functional support in any of these areas:

**STRATEGIC  
CONSULTING**

**CLINICAL  
OPERATIONS**

**BIOMETRICS**

**MEDICAL  
AFFAIRS**

**REGULATORY  
AFFAIRS**

## Therapeutic Centers of Excellence

Veristat applies its 25 years of clinical and regulatory expertise across multiple therapeutic disciplines:

Oncology

Infectious  
Diseases

Cardiovascular

Neurology

Rare & Orphan  
Diseases

### We Are Highly Qualified, Scientific Problem Solvers

Our clinical development and regulatory submission teams are made up of highly educated experts, where more than 65% of our staff have advanced degrees.

Our experienced biostatisticians and statistical programmers have greater than 13 years of industry experience on average.
