CAREERS AT EISENMANN

Career opportunities at Eisenmann offer an exhilarating mix of responsibility and challenge. We have a strong entrepreneurial spirit and you will be challenged to demonstrate Eisenmann's vision through your innovation, dedication, and problem solving abilities.

Eisenmann has a 60-year track record of designing and building plant technology of exceptional quality and strength for some of the largest manufacturers in the automotive, chemical processing and large equipment industries.

Eisenmann USA reflects the values and pride of a global engineering company and has been present in the US since 1977 with over 1000 industrial systems installed to date.

Our global reach offers you the chance to learn from and engage with talented people all over the world. At the same time, our culture encourages personal interaction, collaboration and growth so you will always be a key part of the team.

If you are eager for the opportunity to make a difference, to be challenged and to work with the best, we encourage you to learn more about a career with us!

Automotive Body Pretreatment 5. Pretreatment and Material Handling of Aluminum Wheels 6. Automated Paint Finishing Booth

STUDENTS AND GRADUATES

Whether you're just starting out, or looking to expand your career, we welcome talented, energetic people who are brimming with innovative ideas and are eager to make a real difference in the world of engineering.

Internships

Our internship programs are a great way to get a feel for the Eisenmann culture. We offer experiences that you simply won't get in the classroom. No matter your discipline, each day will give you a better working knowledge and valuable insights of your field. It's an education you can take with you regardless of where your future leads. Apply early - vacancies are limited and in great demand.

Entry-Level Positions

Eisenmann is where you'll grow your career with a global company. If you have a particular aptitude for science, technology, engineering or math, we offer positions that will put your analytical thinking and problem-solving abilities to the test. What's more, you'll have the opportunity to work together as a team with some remarkable people who are changing the world of manufacturing.

You've worked hard.
Ready to find out how far **YOU** can go?

WHAT OTHER INTERNS SAY

“Far from Typical

My responsibilities allowed me to feel a sense of achievement and importance.”

-Joe

“My internship was a chance to explore an area of engineering that was **both fascinating and innovative.**”

-Meghan

“It was rewarding to know that the work I had done made a **significant contribution** to the company.”

-Blake

PROFESSIONAL OPPORTUNITIES

We are honored you are considering Eisenmann to advance your career. Operations Manager, Eisenmann

BENEFITS AND MORE

Investing in the Future

At Eisenmann, we believe an investment in our employees is an investment in our success. Therefore we pride ourselves on offering a comprehensive, value-driven benefits package that promotes health, enhances work/life balance, and provides stability for our employees and their family members well into the future.

Crystal Lake in the Greater Chicago Area

Eisenmann is located in Crystal Lake (McHenry County / Illinois) which is only 50 miles from the city of Chicago.

Affordable property values and idyllic residential neighborhoods combined with strong school districts make for a great area to raise your family. Parks, water sports, biking trails as well as vibrant shopping and dining districts offer countless leisure opportunities for both young and old alike.

Crystal Lake's night life stretches from theatres, bars and pubs to live music and concerts. Plus, Chicago's blues and night clubs are just a train ride away for a night out in the city!
