

ZoneGard® Polypropylene

Serged Seams

Dry Particulate

ZoneGard® – Cool clothing for Grimy Sites.

Lakeland's line of breathable ZoneGard® protective wear is appropriate for use in work environments where hazardous or non-hazardous contaminants may be present. Their porous construction accounts for a "breathability" that makes them cool and comfortable while offering protection to those who must work around constant dirt and grime. Economical and disposable, these Lakeland garments and accessories come in a range of styles and sizes.

ZoneGard® Physical Properties

Physical Property	Test Method	Units	Test Results
