

# LAKELAND FR KNIT PERFORMANCE APPAREL

## SHARP DESIGN FEATURES

You've been wearing stylish performance gear for years, now you can get it at work. Lakeland's contrasting stitch design means you can go from safe-at-work to the gym, the trails or out on the town, with ease.

## SEAMLESS UNDERARM GUSSETS

FR shirts designed to eliminate seam pull and shirt rise mean you won't feel any restriction as you maneuver on the job. In fact, you'll feel total arm freedom with our industry leading underarm gussets and seamless design. Less chafing and restriction, maximum comfort.

## CONTOURED SHAPE FOR IMPROVED SAFETY

No matter what your size or shape, men or women, Lakeland has an FR performance shirt for you. Designed to provide functional fit for all, Lakeland apparel offers a sleek design to reduce bulk and keep you safe on the job.

## SUPERIOR MOISTURE WICKING TECHNOLOGY

Our FR garments are designed to pull moisture off your skin to keep you cooler in the heat and warmer in the cold. With your body temperature in check, you'll see a boost in your comfort and overall safety on the job.

## TAG FREE BACK COLLAR

Lakeland FR Performance apparel is designed with your comfort in mind. The tag free back collar means you'll never fight with an itchy neck tag again.

## MOBILITY OF ARM MOVEMENT

Designed to accommodate overhead reaching and side to side movements, the Lakeland apparel arm construction is a thing of beauty. With a singular seam that runs the length of the sleeve and body, the garment is both flexible and functional.

## FLAT SEAM CONSTRUCTION

Never feel the scratch of thread again. Lakeland FR performance garment seams are smooth and comfortable against your skin, with fabric laid side-by-side and stitched flat, so the transition of fabric is almost, well, seamless.

## FUNCTIONALITY IN THE DESIGN

A properly constructed FR garment should balance safety, protection, fabric quality and comfort, without compromise. Designed specifically to outlast the elements and maximize moisture wicking and comfort, Lakeland's FR performance apparel is designed with safety and maneuverability in mind.

**BETTER STYLE. PERFORMANCE. MOISTURE WICKING.**
