Subject: Fathers Needed - 24/7 Dad Fall Group Starting!!
To:

Greetings and Salutations!

It is that time again. We are 2 weeks away from graduating 4 dads in our 24/7 Dad groups and we are gearing up to start a new group! **If you know of any dads who may be interested, please have them either contact the You Medical office and ask for Brandon or simply sign-up at our Eventbrite site.**

The new group will begin on Sept. 20th.

This is a 12 week commitment for dads who are looking to invest in themselves and their relationships. It is evidence based and covers everything from Men's Health to Discipline to Relationship Skills. This is also a closed group, once it begins, everyone else will have to wait until the next group begins to get in. I have included a calendar that shows topics and the dates that we will be meeting. We will finish before Christmas!

The Stronger Father program also now has a website! If people have questions about who we are or want to know more about the 24/7 Dad program, have them check out StrongerFathers.org.

Please let me know if you have any questions and feel free to forward this on to anyone that knows dads, works with dads, or is a dad!

Thanks everyone!
