

# Flat Fee Warranty

Speed Up Check Acceptance and  
Reduce Risk with Flat Fee Warranty

**No time for point-of-sale authorization? Flat Fee Warranty provides warranty protection without authorization at the time of purchase for faster, simplified check acceptance. With this program in place, you can offer your customers the convenience of a check payment and eliminate phone and terminal authorization. Should a check be returned from your bank it can be submitted for claims processing up to the warranty limit. Program includes a monthly fixed fee based on expected monthly losses.**

**The Flat Fee Warranty service can be customized with the Multiple Check and Stop Payment premiums for additional flexibility and protection.**

#### **Multiple Check premium**

With Multiple Check, accept 2-4 checks from a customer for a single purchase to be deposited over a specified period of time.

#### **Stop Payment premium**

Need protection against Stop Payment returns? Stop Payment checks can be difficult to collect on. Get the coverage you need with this premium in place.

#### **Flat Fee Warranty provides these benefits:**

- No need to approve checks ahead of time
- Eliminates customer embarrassment due to declines
- No equipment to purchase, maintain or train employees on
- Provides warranty protection for a monthly fee
- Premium programs available for additional protection
