

Gig Wage Partnership

Great News: Global DMS has partnered with us to provide you with an efficient and compliant payments solution for your appraisers. This will allow eTrac® users to utilize Gig Wage at a discounted rate!

WHO WE ARE

Gig Wage is a technology company that builds contractor compensation and compliance tools. Businesses from every industry, including real estate, insurance, transportation, and more use our software to pay, manage, and support their contract workers.

HOW THE PARTNERSHIP WORKS	
Sign Up	Sign up for Gig Wage to pay your appraisers
Run Report	Run an eTrac report when you need to pay your appraisers
Upload Report to Send Payment	Upload your eTrac report to Gig Wage and we send the payment to the appraisers
Download (Optional)	Download payment report from Gig Wage then upload Gig Wage report into eTrac
