

Managing EVO Connection Requests

Received an invitation to connect to a client on the EVO Network? Simply, click "Review Request" in the email to accept the connection request. Any corresponding documentation from the client will be included as email attachments for your review.

EVO connection requests must be accepted in order to receive appraisal orders from an EVO lender client.

An alert will be displayed in the top navigation menu of your EVO account if a connection request is pending.

• Clicking on the alert message will redirect you to the **Connection Detail** page for the requesting client.
