

# Education Modules

## PARTNERS | 2019

WHEN	WHAT	LENGTH	DETAILS
MAY 15	PDGM Action Items for NOW	60 min	Review and understanding of the PDGM structure. Review of the new factors that will determine HHRG (Home Health Resource Groups) under PDGM.
JUN 19	Functional Scoring and Delivering Outcomes	60 min	Review accurate OASIS scoring related to supporting PDGM, Section GG, and outcomes.
JUL 17	Marketing Opportunities from PDGM	60 min	Using market analytics, partners can use the reimbursement change to PDGM to a marketshare advantage.
AUG 21	Therapy's Role in PDGM	60 min	Discuss how the roles of therapy staff and leaders will change between now and January 1, 2020; what they need to do to become more efficient and show new competencies to produce clinical outcomes for patients/residents.
SEPT 18	Safe Transitions and Re-Hospitalization Mitigation	60 min	Share ideas of how therapy's role can be used in addressing patient risk areas through the use of evidenced based care transition guidelines. This includes treatment approaches, IDT communication strategies, and documentation to support both moving the patient to the next level of care safely while addressing the risk areas for re-hospitalizations.
OCT 16	PDGM 201	60 min	Review of higher level strategy opportunities for agency success in PDGM. Discussion of critical elements that will impact agency success in 2020 and strategies for preparation that should be occurring now.
NOV 20	Care Pathways	60 min	With the removal of therapy visit thresholds as a key reimbursement driver, clinical planning to drive outcomes takes center stage. Review of strategic considerations for care pathways that will address efficient management of visits, LOS, and LUPA considerations while achieving desired patient outcomes.
DEC 18	Transitional Planning	60 min	Discuss and review best practice and strategy in making a successful transition into the PDGM world.
