

HEALTHPRO®
HERITAGE

PDPM Consulting Services

PREPARE. EXECUTE. SUCCEED.

STRATEGIC WORK PLAN DEVELOPMENT

Starting with a Deep Dive/Gap Analysis of facility-specific impact files and all key PDPM areas of opportunity/risk, HealthPRO® Heritage will develop and present Work Plans to optimize the transition to PDPM.

- On-site and remote meetings with facility interdisciplinary team and executive leadership
- Report on findings of the Deep Dive/Gap Analysis and delivery of Work Plans within ~6 weeks
- Fees based on per facility and/or on enterprise-level engagement (for chains)

DEEP DIVE/ GAP ANALYSIS

To assess practice/workflow of PDPM success drivers related to finance/billing, preadmission/admissions, ICD-10 coding, pre-transmission, triple check, nursing processes/documentation, compliance, clinical pathways, case management, communication systems, care transitions, etc.

WORK PLANS

To serve as an invaluable, strategic, and comprehensive roadmap for interdisciplinary team and executive leadership. Customized recommendations (based on the Deep Dive) to assure a successful transition.

PDPM IMPLEMENTATION SUPPORT

Upon completion of a Deep Dive/Gap Analysis and Work Plan delivery, HealthPRO® Heritage will provide ongoing project management to guide and track progress towards successfully executing on initiatives and recommendations outlined in Work Plans.

- On-site facility visits
- Team conference calls to guide/track progress on Work Plan
- Ongoing webinars/trainings to provide education for interdisciplinary team
- Ongoing, unlimited phone/email support
- Fees based on per facility/month and/or on an enterprise-level engagement (for chains)

EDUCATION & TRAINING PACKAGE

All-inclusive, comprehensive bundle of PDPM basics and strategy for all levels of the interdisciplinary team and leadership. HealthPRO® Heritage's PDPM University includes a series of modules and education tools. *Turn over for more details.
