

## **Postponement of the Workshop at the Center for Hyperspectral Remote-Sensing Europe (CHRSE)**

*Letter of cancellation of the on-site CHRSE workshop in Germany, 5–6 March 2020*

To Whom It May Concern,

Due to the most recent developments involving the [coronavirus \(COVID-19\)](#), we have decided in accordance with local health authorities' recommendation to postpone indefinitely the inaugural on-site workshop originally scheduled for Thursday, 5 March to Friday, 6 March 2020. To be clear, the on-site event on Thursday, 5 March and Friday, 6 March 2020 HAS BEEN CANCELLED.

Many of our registered participants planned to travel to the [CHRSE](#) from other countries. We are writing this letter if your company (e.g. airline, hotel) needs to take this into account in order to cancel and refund or credit our participant for their previous purchase in light of concerns about current events.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Johannes Seidl-Schulz and Christian Felsheim  
Co-hosts of the inaugural CHRSE Workshop
