Balance Gel

bioXtra® Oral Moisturizing Gel

For over 15 years, bioXtra Oral Gel has successfully treated dry mouth symptoms in Europe and all around the world.

bioXtra Moisturizing Gel offers symptomatic relief from the effects of chronic or temporary xerostomia (dry mouth), mouth discomfort, mouth odors and other oral symptoms associated with dry mouth.

Soothing moisturizers and naturally occurring enzymes help regulate the microenvironment of the mouth.

Satisfaité & Satisfem

Some women experience vaginal dryness with Sjogren's syndrome. With daily use, Satisfaité™ supplements the body's natural lubrication to support long-term vaginal health and provide relief from pain, burning, and itching.

Satisfem is a personal moisturizer to be used on the vulva, while Satisfaité can be used inside the vagina for lubrication and moisturization. These products can be used individually or complementary to bring relief.

- Satisfaité is FDA Cleared
- Made with pharmaceutical-grade ingredients
- Made without hormones
- Formulated to avoid leaking or dripping
- Manufactured to the highest standards in the United States
- Safe for daily use

Clinically Proven TheraTears® Dry Eye Therapy

for more complete Dry Eye symptom relief

What are Dry Eyes?

Dry eye can be caused by a salt imbalance in your tears. As eyes become dry, they lose water and become too salty, creating hyperosmolarity. And, just like when you throw salt on a wound, they sting and burn.

Product Directory

By joining the Sjögren's Foundation today, you will receive these great membership benefits (and more):

- *Conquering Sjögren's* newsletter: This bi-monthly newsletter contains the latest information on Sjögren's, practical tips for daily living, and answers to medical questions from the experts.
- Updates on new product launches and information/discounts available to Foundation members for over-the-counter and/or prescription products
- Information about upcoming Sjögren's clinical trials and clinical research in your area
- Exclusive access to the members-only section of our website, featuring resources that are not available to other site visitors such as newsletter archives and our online product directory
- Members-only discounts on a variety of products and services such as *The Sjögren's Handbook* and registration for our educational conferences.

The Sjögren's Foundation is proud to offer this directory of products that may be helpful to people living with Sjögren's. Although we do not claim that this listing is totally comprehensive, we are pleased to say that it is quite extensive. We continually strive to be of service to our members, and providing this directory is one way to further our mission.

The listing of products in this publication does not constitute an endorsement of those products. We strongly advise that you consult with your physician, dentist and/or pharmacist regarding the drugs, treatments or products listed in this directory to see if they are right for you. . We present this directory only as another resource and hope you find it useful.
