

You are invited to attend the next
Boise Area
Sjögren's Support Group Meeting

Thursday, March 19, 2020
6:30 p.m. - 8:30 p.m.

Meeting Location
Tree City Church of the Nazarene
3852 N. Eagle Road
Boise, Idaho 83713

Guest Speaker
Kathryn Fethke, MD

Kathryn Fethke, MD, is an ophthalmologist who has practiced with Intermountain Eye Centers in Meridian since 2000.

Following Dr. Fethke's presentation, we will spend the remainder of our meeting assisting each other through a discussion of our issues and concerns.

(Our meetings are open to all, so please encourage anyone you know with Sjögren's, or who suspects they may have Sjögren's, and any family members interested, to attend. Please share this information with all your doctors and ask their offices to provide it to any Sjögren's patients they may have. I find that if you will print the notice and take it to your doctors' office two or three weeks prior to the meeting, they are more likely to pass them on to their patients. We hope to have you in attendance so that we all may learn more about taking care of ourselves, and to help each other in our journey with Sjögren's.)

RSVPs are appreciated but not required:
Richard Bliss, Support Group Co-Leader • (208) 816-3686
Kathy Ellis, Support Group Co-Leader • (208) 921-0613

Please call with any questions or for directions.
